**JOINT STIPULATION REGARDING SCHEDULING ORDER FOR  
BELLWETHER II TRIAL**

Bellwether II Plaintiffs (“Plaintiffs”) and Defendants Veolia Water North America Operating Services, LLC, Veolia North America, Inc., and Veolia North America, LLC (collectively, “VNA”) hereby stipulate and agree to modify and extend the current schedule for the Bellwether II Trial (ECF No. 2685) as set forth herein. Since the parties selected the 14 Pool Three Plaintiffs for further discovery on March 22, 2024, the parties have been diligently working to schedule and complete the depositions of the Pool Three Plaintiffs and various fact witnesses. Due to delays in the receipt of medical records for certain of the Pool Three Plaintiffs, the volume and availability of fact witnesses, and resulting scheduling difficulties, the parties will be unable to complete all depositions by the current August 13, 2024 merits discovery deadline.

Specifically, in addition to the depositions of the 14 BWII Plaintiffs, there were over 30 fact witnesses identified in discovery as individuals with knowledge relevant to the Plaintiffs' claims that needed to be deposed. The depositions of 12 of the 14 BWII Plaintiffs and several fact witnesses have been completed.

Over the course of the past several months, the parties have worked cooperatively to schedule and complete these depositions in a timely manner. Plaintiffs' counsel agreed to coordinate the depositions for not only the Plaintiffs, but also the related fact witnesses (both represented and non-represented) and VNA was ready and willing to take all necessary depositions as they were offered. However, despite efforts, over 20 fact witnesses remain to be deposed. VNA is also still awaiting dates from Plaintiffs' counsel to complete the depositions of the remaining two BWII Plaintiffs. An extension is needed to enable the parties to obtain and review the outstanding records for the BWII Plaintiffs and complete the remaining depositions of such Plaintiffs and related fact witnesses.
